🧾 2025 FNB App of the Year Submission Receipt

Submitted by: Leonard Phokane Founder, ZuluTech 📍 Fetakgomo Tubatse, Limpopo 📧 leonardphokane@gmail.com 🌐 Portfolio

Entry Title: 🎯 **ZuluTech Send Money** *"Transactions don't just move money — they move stories."*

Submitted Categories:

- ✅ Best Financial Solution
- ✅ Best South African Solution *(Optional Secondary Entry)*

Entry Summary: ZuluTech Send Money is an Afro-futurist fintech prototype designed for secure peer-to-peer transactions. Rooted in ethical tech principles, the app uses OTP login, animated storytelling UX, and a freemium access model to empower communities through functional design and cultural resonance.

Supporting Documents:

- Merged Canva PDF + README
- Padlet Showcase
- Developer Bio
- Demo Login Credentials
- Ethics Manifesto

App Status: 🔒 Prototype Phase No APK published — Padlet archive used for visual and technical demo access.

Submission Confirmation: 📥 Entry successfully submitted via appoftheyear.co.za on **23 July 2025**
